Mission Statement

The Mission of Somerset ISD is to provide exemplary academic preparation for higher education and life.

At ECE:

- We value all of our students and recognize their unique physical, social, emotional, intellectual, and cultural needs.
- We believe that a safe and physically comfortable environment will enhance and promote student learning.
- We will utilize instructional practices that incorporate learning activities that will accommodate individual difference and learning styles.
- Students are provided a technologically rich environment to accommodate an ever changing society.
- A student's self esteem is enhanced by positive relationships and mutual respect among and between students and staff.
- Teachers, parents, and community share the responsibility for educating the student.

Parent, family and community involvement shall be defined as the engagement of parent, families, and the community as partners with schools for the purpose of promoting success throughout a child's educational experience.
